

Impact Report | 2023

Renegade Paws Rescue is a 501(c)(3) non-profit dedicated to saving lives and providing the highest level of care to unwanted, abused or injured dogs in the Savannah, GA/Coastal Empire region. Renegade Paws Rescue receives no funding through government contracts and relies on fundraising, grants, and donations to enable us to continue our lifesaving work. Because we are a private entity, we are able to provide services that go well beyond those offered by a municipal shelter, such as heartworm treatment, dentals, cancer treatment, and other critical medical surgeries and procedures.
